In the 8th thriller about Bjørn Beltø, a two-thousand-year-old codex, Jesus's crown of thorns, two dead archaeologists, and a theological conflict that will shake our understanding of Christianity are some of the ingredients. A mysterious woman appears, quickly capturing Bjørn Beltø's attention as she seeks his help. Does she have a connection to the eerie events brought about by the discovery of the codex and the crown of thorns? It is clear that someone is monitoring Beltø, and they are willing to go to great lengths to gain control over the revelations that the codex can bring to light.
